# PVC BANNER ARTWORK TEMPLATE

1000 x 2000mm | Without eyelets

### BLEED AREA

Extend backgrounds and images into the 3mm bleed beyond the trim line. This area is trimmed off.

### TRIM LINE

The magenta line marks the finished banner size. Anything beyond this line will be cut away.

### SAFE AREA

Keep text, logos and essential details inside the light blue guide to avoid potential trimming issues.

### NO EYELETS

This template has no eyelet positions. Check your order is set to Without Eyelets before supplying artwork.

**always remove this template before sending your design**
