# PVC BANNER ARTWORK TEMPLATE

3000 x 500mm | Without eyelets

**BLEED AREA**

Extend backgrounds and images into the 3mm bleed beyond the trim line. This area is trimmed off.

**TRIM LINE**

The magenta line marks the finished banner size. Anything beyond this line will be cut away.

**SAFE AREA**

Keep text, logos and essential details inside the light blue guide to avoid potential trimming issues.

**NO EYELETS**

This template has no eyelet positions. Check your order is set to Without Eyelets before supplying artwork.

**always remove this template before sending your design**
